

Skeeter Davis, You've Still Got A Place In My Heart

If the one you'd think is true ever turns her back on you

You've still got a place in my heart

If every road you take proves you made a big mistake

Baby you've still got a place in my heart

If I'm a fool to pray that you'll come back some day

Then I'll know of million fools that love has made that way

If the years should make you cry don't go on and live a lie

Baby you've still got a place in my heart

[guitar]

If the years should make you cry don't go on and live a lie

Baby you've still got a place in my heart
