Now they wanna snap pictures, I live flashy
Who gon' stop me, huh? Iwo pelu tani?
Impossible, every day's a celebration
This one for all my people that couldn't make it
Spend nights on a blue mat in the station
I said "No comment," just to make a statement
How they hate me 'cause I'm winnin'?
AP kickin', my Rollie ain't tickin'
One of one-fifty, the whip that I'm whippin'
Now they wishing they could've caught a man slipping
S-H-O-K-O-L-O-K-O-B-A-N-G-O-S-H-A-Y, shokolokobangoshay
Anywhere I go, you know the gang dem dey (Greaze, brrt)

Big Smoke pelu tobacco

Yeah, you know my passion, money and high fashion
Anywhere you see me, you know the boy's patterned
I was a young G with dreams of gettin' rich
Now, I got more money than imagined
I hear no, speak no, see no evil
Never catch me stuntin' on my own people
That's my brother from another mother
Uh, I cut the slice precise so it's equal
She playin' hard to get, so I'm keepin' the same energy
You want the Casamigos or the Hennessey?
Take a shot to the head, that's a Kennedy
Yo, fine girl, sip that jejely
Baby, love, sit back jejely
Unforgettable swag, they remember me
Hypnotizin' like a OD melody
I came with the criminals, my Co-D defendin' me

Big Smoke pelu tobacco oh
Tony, Tony, Tony Montana oh
Wacko, psycho
I want to explode
Fire oh, ginger oh

Somebody, pour me water oh
I dey on my own
Waka jeje, make we no jam agbako

Big Gun, no go do am again
Owo nla ti n be ninu Bako
Wacko, psycho
To ri owo mo shey sa la ro oh
