

Skew Siskin, Ace Against The Jack

No more promises, I can't believe
Ain't my fault, I ain't the sort of fool you need
The smiling face, the fatal charme, the state of grace
No more crying in your arms

Oh now I'm free
Walk the line
Believe in me

DO YOU REALLY WANNA KNOW WHY IT'S EASY COME AND EASY GO
WELL I CAME FOR LOVE BUT YOU PUSH AND SHOVE
NOW I GOT ONE NICE AND SLOW

But now
You're on your knees
Begging please
C'mon c'mon don't refrain

End of the line, reap as you sow
You're never mine, I quit you babe and gonna steal your show
Close the door behind your back
You played the ace against my jack

Oh now I'm free
Chalk up a win
Look after me

DO YOU REALLY WANNA KNOW WHY IT'S EASY COME AND EASY GO
WELL I CAME FOR LOVE BUT YOU PUSH AND SHOVE
NOW I GOT ONE NICE AND SLOW

You're back
Fan the breeze
I try to freeze
C'mon c'mon it ain't no fun

DO YOU REALLY WANNA KNOW WHY IT'S EASY COME AND EASY GO
WELL I CAME FOR LOVE BUT YOU PUSH AND SHOVE
NOW I GOT ONE NICE AND SLOW

Oh don't gun me down
Your mind is cheap
You stand alone
So long you foolish creep
