

Skew Siskin, Bend Over

Everyday I drag myself outta bed
Just to slave away for you
Knock myself out from nine to five
For a cheque I'll quickly run through

I pay to eat
I pay the rent
I pay for TV
I pay the phone
I shall out 'til I don't have two cents
To rub together for my own
You say

BEND OVER
BEND OVER
BEND OVER
AND TAKE IT, TAKE IT, TAKE IT
BEND OVER
BEND OVER
BEND OVER

Every time I drag myself to your door
To listen to your moan and curse
How you could have done better than me
As you go and empty out my purse
Asking if that's all I've got to give
Just hit me right where I live

BEND OVER
BEND OVER
BEND OVER
AND TAKE IT, TAKE IT, TAKE IT
BEND OVER
BEND OVER
BEND OVER
AND TAKE IT
BEND OVER
BEND OVER
BEND OVER
WHY DON'T YOU
BEND OVER
BEND OVER
BEND OVER

Don't risk your soul and battery
Now's the time for some flattery
Put your love in sodomy
