

Skew Siskin, Dream`s Of Black

Tell me when the fight is over
Tell me when you think it's done
Cause I can't listen to your promises
Before you know what you want
I will be gone

People run around with problems
Individual mentality
You can hate them or believe in them
But never change their personal reality

Who's got the key to open up the door of liberty
Or do you ignore

I KNOW BETTER THAN THOU
WHO LIVES BEHIND MY EYES
AND I PICK OUT MYSELF WHO'S STANDING AT MY SIDE
YOU SEEM TO BE SURE YOU GOT TO GIMME YOUR DAMN ADVICE
BUT I'M NOT GONNA LISTEN TO YOUR LIES

So many times I wonder why
People doubt me but always stare at me
Too many men getting stronger to believe in things they only want to see
Fates in my hand or am I still talking to my wall
Do you understand, or smile when I fall

I KNOW BETTER THAN THOU
WHO LIVES BEHIND MY EYES
AND I PICK OUT MYSELF WHO'S STANDING AT MY SIDE
YOU SEEM TO BE SURE YOU GOT TO GIMME YOUR DAMN ADVICE
BUT I'M NOT GONNA LISTEN TO YOUR LIES
