

Skew Siskin, Genocide

Character witness, brought to notice
Seven deadle sins, brought to justice

GENOCIDE GENOCIDE
ROLL THE DICE, WHO'S NEXT
COLD AS ICE, PERSECUTION COMPLEX

They've won the wisdom in the land of death
Enemies of kingdom, spoilt and messed

GENOCIDE GENOCIDE
ROLL THE DICE, WHO'S NEXT
COLD AS ICE, PERSECUTION COMPLEX

Through the edge of my brain
A snake in my vein
A shadow on the wall
Hear the demons call
The eyes of the dead
Exploding in the head
No man can win
It's satan wanks in sin

Ultrior motive permeate through bombs
Executing mankind, violent dislike

GENOCIDE GENOCIDE
ROLL THE DICE, WHO'S NEXT
COLD AS ICE, PERSECUTION COMPLEX

Blow the fuse
Roll the dice
No excuse
Pack of lies
Demons call
Dark cloud
Over all
Lights go out
