

Skew Siskin, How Can I Miss You

You suck the air out of the room
You're stuck to me like a cheap suit

Like a junkie with no fix
You hardly miss a trick

Got better things to do
Than hang around with you

HOW CAN I MISS YOU
WHEN YOU WON'T GO AWAY

Seven days without you don't make one weak
No way I stay on this losing streak

Like a yuppie with no dough
You got no place to go

There's a great big world outside
Stay here and you'll risk homicide

HOW CAN I MISS YOU
WHEN YOU WON'T GO AWAY
HOW CAN I MISS YOU
WHEN YOU WON'T GO AWAY
HOW CAN I MISS YOU
WHEN YOU WON'T GO AWAY

You suck and you don't even do it well
You disgust me with your self made hell

Like a whore with the crabs
Scratching for everything she has

Trying to hard to look real pretty
Why don't you try the next shitty city

HOW CAN I MISS YOU
WHEN YOU WON'T GO AWAY

Take a train
Take a car
Take a plane
Just go real far

HOW CAN I MISS YOU
WHEN YOU WON'T GO AWAY
HOW CAN I MISS YOU
WHEN YOU WON'T GO AWAY

Take a bus
Take a truck
Your shit
Outta luck
