

Skew Siskin, I Gotta Go Away

There ain't no rules in my life
No one can take that away
I'm wild and free and you can take this from me
'Cause that's the way I want it to stay
Liste here, I can't take what I need
Gotta hungry heart in the night
Can't see myself alone on the streets
I got to run, run, run, that is what I like

I GOTTA GO AWAY
BUT I'M NOT JUST WAITING FOR A BETTER DAY
I GOTTA GO AWAY
NOW I GOTTA GET AWAY
GOTTA GET A BETTER PLACE TO STAY

You can say I'm in the wrong place
But you can't find a tear in my face
I wasn't born to fight or disagree
I like the good things in my life
And the good things are free

I GOTTA GO AWAY
BUT I'M NOT JUST WAITING FOR A BETTER DAY
I GOTTA GO AWAY
NOW I GOTTA GET AWAY
GOTTA GET A BETTER PLACE TO STAY

It doesn't matter what I've been through
Just remember that I'm no fool
I always say raise your fist and yell
If somebody drags you down just kick them to hell

I GOTTA GO AWAY
IM GONNA FIND MYSELF A BETTER WAY
I GOTTA GO AWAY
SOMEDAY I'LL FIND MYSELF A BETTER WAY
I GOTTA GO AWAY
AND ALL OF THESE WORDS I DON'T JUST SAY
I GOTTA GO AWAY
GOTTA FIND MYSELF A BETTER PLACE TO STAY
I GOTTA GO AWAY
TO LIVE IN ANY OTHER WAY
I GOTTA GO AWAY
I GOTTA GO TODAY
