

# Skew Siskin, In Another World

Look at me, I'm born insane  
I'm the mad machine who plays a dangerous game

Have no fear, feel no pain  
Got one desire burning in my brain  
J-j-j-just don't care  
I do or dare  
Get out of way  
Don't try to preach and pray

IN ANOTHER WORLD  
HAVE YOU EVER BEEN  
TO ANOTHER WORLD  
OH IT FEELS SO EXTREME

Inside I'm on my own  
In this world you gotta learn to be alone  
Ice cold water runnin' through my veins  
If you get some luck baby you might get back some change  
All dressed in black  
Gotta little monkey on my back  
Hey man look the other way  
Cause I got no money today

IN ANOTHER WORLD  
HAVE YOU EVER BEEN  
TO ANOTHER WORLD  
OH IT FEELS SO EXTREME

I gotta live it through I gotta live it up  
I feel good, baby yes I do

I can't sleep  
I can't sleep  
Can you feel the feel the feel the feel the feel the creep

I'm out of touch, I'm out of mind  
I'm out of sight, I'm out of time

Aaaaahhhh, I feel alright, I feel so fine, I feel good  
Feel alright, feel alright I feel alright, I feel alright

Do it do it do it do it, do it do it do it do it  
Push push push push push push push push

I can't sleep leave on the light  
Feel the fire inside my blood, exploding dynamite  
Got my mind shot in the air and the wind is blowing cold out there  
Take me high cause birds got to fly  
I take what I can get, it's a blow your mind roulette
