

Skew Siskin, Invisible Retreat

Paralized needle eyes, why do you stare at me
Turn to stone, leave me alone with your misery
Reality seems to fade away, spinning in that vicious mind
Darkness will surround your day
It ain't paradise that you'll find
Hollow inside

IF YOU DON'T MIND I'LL DISAPPEAR
AN INVISIBLE RETREAT
LOST BEHIND THE SHADE OF MY EYES
CAUSE THE REASONS ARE SO CHEAP
CAUSE THE REASONS ARE SO CHEAP

And in the end we realize we watched the world go by
Walked in danger, so terrified
Take what we get and in the end we die

Hear the sound of the devil's voice, an echo from behind
Down on the ground, wrecked my brain
Bloodsucker tooth in the vein
I don't care if you disagree or hate me 'til the end of time
Just can't watch you drown in the sea
That would be a crime
Hollow inside

IF YOU DON'T MIND I'LL DISAPPEAR
AN INVISIBLE RETREAT
LOST BEHIND THE SHADE OF MY EYES
CAUSE THE REASONS ARE SO CHEAP
CAUSE THE REASONS ARE SO CHEAP

It's time to make a change
It's time to rearrange
It's time to break free of this misery

And in the end we realize we've been too naive
Tortured and threatened, killed by lies
Friends turn out to be enemies

IF YOU DON'T MIND I'LL DISAPPEAR
AN INVISIBLE RETREAT
LOST BEHIND THE SHADE OF MY EYES
CAUSE THE REASONS ARE SO CHEAP
CAUSE THE REASONS ARE SO CHEAP
