

# Skew Siskin, It`s Allright

Reach my hand up to the sky  
Hope one day you will return  
Talkin' to myself, I know you won't  
But will I ever learn

You know I'll always feel for you  
Doesn't matter where I am  
Whatever you say or do  
You'll always be my friend

IT'S ALRIGHT  
IF LOVING YOU FELT SO RIGHT

Say good bye to what has died  
You can't return and never will  
Tomorrow will come without you  
And I will stand upon the hill

I will pray for you at night  
Hoping god treats you alright  
The wheel of life goes on and on  
Without you nothing looks the same  
It ain't the same

IT'S ALRIGHT  
IF LOVING YOU FELT SO RIGHT  
IT'S ALRIGHT  
IF LOVING YOU FELT SO RIGHT

My mind is playin' tricks on me  
Your face in the crowd is all I see  
Can't believe you took the chance  
Only twenty-one and killed by romance  
Are you happy with what you got  
I know you always gave as good as you got  
Home was the place where you wanted to be  
Now your soul is ment to be free

IT'S ALRIGHT  
IF LOVING YOU FELT SO RIGHT  
IT'S ALRIGHT  
AS LONG AS LOVING YOU FELT SO RIGHT
