Skew Siskin, It's Allright

Reach my hand up to the sky Hope one day you will return Talkin' to myself, I know you won't But will I ever learn

You know I'll always feel for you Doesn't matter where I am Whatever you say or do You'll always be my friend

IT'S ALRIGHT
IF LOVING YOU FELT SO RIGHT

Say good bye to what has died You can't return and never will Tomorrow will come without you And I will stand upon the hill

I will pray for you at night Hoping god treats you alright The wheel of life goes on and on Without you nothing looks the same It ain't the same

IT'S ALRIGHT
IF LOVING YOU FELT SO RIGHT
IT'S ALRIGHT
IF LOVING YOU FELT SO RIGHT

My mind is playin' tricks on me
Your face in the crowd is all I see
Can't believe you took the chance
Only twenty-one and killed by romance
Are you happy with what you got
I know you always gave as good as you got
Home was the place where you wanted to be
Now your soul is ment to be free

IT'S ALRIGHT
IF LOVING YOU FELT SO RIGHT
IT'S ALRIGHT
AS LONG AS LOVING YOU FELT SO RIGHT
