

# Skew Siskin, Let's Get Drunk & Screw

I'm in condition to have no condition  
Got no inhibition  
So push, push my ignition

LET'S GET DRUNK AND SCREW  
THAT'S ALL I WANNA DO  
LET'S GET DRUNK AND SCREW

Open up the bottle  
I'm ready to swallow  
Don't try and dawdle  
Push, push me throttle

LET'S GET DRUNK AND SCREW  
THAT'S ALL I WANNA DO  
LET'S GET DRUNK AND SCREW

What's the use in being sober  
There's no excuse until it's over

I drink you pretty  
You'll be a beauty  
I find you witty  
Now do your duty

LET'S GET DRUNK AND SCREW  
THAT'S ALL I WANNA DO  
LET'S GET DRUNK AND SCREW  
THAT'S ALL I WANNA DO  
LET'S GET DRUNK AND SCREW  
ALL I WANNA DO  
IS TO GET DOWN ON YOU  
SO LET'S GET DRUNK AND SCREW
