

Skew Siskin, Life's A Bitch

How can you look at me that way
I always know what you're gonna say
I know you'll always criticize
And put the spikes into my eyes

Get out of here
Don't hold me down
Get out of here
I ain't gonna come around

You think I'm crazy
You can make me lost and found
I ain't no fool
You know what I'm looking for

LIFE'S A BITCH
LIFE'S A BITCH
LIFE'S A BITCH
I SWEAR TO GOD I GOT THE SEVEN YEAR ITCH

Don't you make no moves on me
Put me in jail or set me free
I know you always let me down
I'm gonna leave you, leave this town

Get out of here cause I don't care
Get out of here
I don't think you pay your share

Makes me crazy
Ain't gonna let you take me there
I ain't no fool
You know what I'm looking for

LIFE'S A BITCH
LIFE'S A BITCH
LIFE'S A BITCH
I SWEAR TO GOD I GOT THE SEVEN YEAR ITCH
