

# Skew Siskin, Life Sucks

Standing in line with a million dollar smile  
Better get ready to be shoved on the scrap pile  
They promised go to school to make an honest dollar  
They lied to you and now all you can do is hollar

WELL LIFE, IT REALLY SUCKS AND THEN YOU DIE  
I SAID LIFE, SUCKS SO BAD AND THEN YOU DIE

Wash your face and toe the government line  
Swallow their shit and smile, it tastes so fine  
20 years old and you're future is all behind you  
And you discover that there's only one thing that is true

WELL LIFE, IT REALLY SUCKS AND THEN YOU DIE  
I SAID LIFE, SUCKS SO BAD AND THEN YOU DIE

We're not gonna take it  
We're gonna replace it  
Gonna make an upheaval  
Hit you with a ton of bricks  
Blow down their walls  
And make the suckers crawl  
We're the disaffected youth  
I've had it with your truth

WELL LIFE, IT REALLY SUCKS AND THEN YOU DIE  
I SAID LIFE, SUCKS SO BAD AND THEN YOU DIE
