

# Skew Siskin, Livin' On The Redline

Drivin' down the highway ain't no one in sight  
Motel baby won't you turn down the light  
Take your eyes off me and keep your hands on the wheel  
Don't get fresh and try to cop no feel  
Make no mistake  
Take off the brake  
Put your pedal to the metal gonna make you weak

LIVING ON THE REDLINE  
AIN'T WAISTIN' NO TIME  
DON'T BREAK FOR STOP SIGNS  
RIDIN' ON THE REDLINE

Crossing state borders like there was a picket fence  
Heading for disaster with maximum suspense  
A bat out of hell it don't got nothin' on me  
Goin' down the wrong way on a one way street  
Take it fast  
Never slow  
We go everywhere you could never go

LIVING ON THE REDLINE  
AIN'T WAISTIN' NO TIME  
DON'T BREAK FOR STOP SIGNS  
RIDIN' ON THE REDLINE
