

# Skew Siskin, Out Of Control

Packed my bags, sold the car, I'm a shootin' star  
Ain't comin' back here no more  
Bought a one way ticket in a rocket to a planet at my drugstore

I CAN'T WAIT TO GO FAR FROM HOME  
ON MY OWN, LET IT GO OUT OF CONTROL

Ten more seconds and I'll be gone, just press the button  
You won't see me no more  
Flyin' high above the sky, you wonder why  
You were never here before

I CAN'T TAKE IT SLOW, WANNA ROLL  
ALL ALONE, LET IT GO OUT OF CONTROL

The time has come for me to get away now  
I feel good, I'm feeling like in a cloud  
I don't think I'm ever gonna come down  
Find a new world, find me a better town  
Out of town is where I'm headin'  
What we'll find there I can't say right now

I CAN'T WAIT TO GO FAR FROM HOME  
ON MY OWN, LET IT GO OUT OF CONTROL  
I CAN'T TAKE IT SLOW, WANNA ROLL  
ALL ALONE, LET IT GO OUT OF CONTROL  
Good bye
