

Skew Siskin, Pussy Game

I wanna be hated so I can appreciate
If someone tells me to love me is good fate
So I'm waiting for your call

I always want the things that I couldn't get
Like a kid in the candy store I keep coming back
I'm ready to take it all
Anyway

IT'S ALL THE SAME
THEORY OF GAME
IT'S ALL THE SAME
IT'S A CRYING SHAME

My soul is an open book
You're free to walk in
Disorganize me with your look
If you know what I mean
Your invitation is on the way
And you better say yes
As sure as night will follow the day
Gonna wear my kinky dress oh oh, oh oh

I'm ready to take it all
Anyway

IT'S ALL THE SAME
THEORY OF GAME
IT'S ALL THE SAME
WHAT A PRETTY FUCKIN' GAME
