

Skew Siskin, Sex, Love, Dance, Music

I ain't too subtle and I ain't got couth
Listen to me while I preach you the truth
I ain't too proud to say it straight
Everyone just wants to go out and get laid

Cause I got one foot in the gutter
Got one foot in your door
I got one foot in your mother
She's yellin' out for more, more, more
She wants:

SEX, DANCE, LOVE, MUSIC
SEX, DANCE, LOVE, MUSIC

You act to cool to admit what you need
You're such a fool to deny that you bleed
You try so hard to do what you should
You're so self impressed that you're so good

Cause you got one foot in the gutter
Got one foot in the door
You got one foot in your mother
She's yellin' out for more, more, more
She wants:

SEX, DANCE, LOVE, MUSIC
SEX, DANCE, LOVE, MUSIC

I won't grow up just to get old
That's a lot of shit that's over sold
Live my life as a fantasy
Bringing my dreams into reality

Cause we got one foot in the gutter
Got one foot in the door
We got one foot in your mother
She's yellin' out for more, more, more
She wants:

SEX, DANCE, LOVE, MUSIC
