

# Skew Siskin, Shake Down And Roll

Another night begins right on time  
Tastin' the sin ain't no crime  
Rock'n Roll instead a sadness  
To party's my solution

I blow the blues and the troubles away now cause I hate to cry  
I don't need the sorrow cause I just prefer being a runaway

SHAKE DOWN AND ROLL  
SHAKE DOWN AND ROLL  
SHAKE DOWN AND ROLL  
Why don't you do it like I do

Well I got to run and I got to hide  
To kill all the pain I feel deep inside  
Can't stop now I gotta go  
Gotta deal with my illusion, ugh  
Burn the night won't come down  
Strut my stuff all over town  
Rock'n Roll 'stead a sadness  
To party's my solution

I blow the blues and the troubles away now cause I hate to cry  
I don't need the sorrow cause I just prefer being a runaway

SHAKE DOWN AND ROLL  
SHAKE DOWN AND ROLL  
SHAKE DOWN AND ROLL  
Why don't you do it like I do  
...and gimme a smile...

I blow the blues and the troubles away now cause I hate to cry  
I don't need the sorrow cause I just prefer being a runaway

SHAKE DOWN AND ROLL  
SHAKE DOWN AND ROLL  
SHAKE DOWN AND ROLL  
Why don't you do it like I do

Bbbbbaby let your troubles get blown away  
Let the beat blow blood through your head
