

Skew Siskin, Shoot Out Your Lights

When I was born I knew the moves
Right from the second day
All the time I heard the news
And so I've found my way

Now I'm singing rock'n roll
Suits me just fine
The only reason I was born
I'm here to change your mind

Change it into flame
Change it into dust
Change it for a game
Change it into lust

I'm here you know
I'm gonna

CHANGE YOUR MIND
I'M HERE TO DO IT RIGHT
I WANNA BE UNKIND
SHOOT OUT YOUR LIGHTS
and you can kiss my ass

Rock'n roll is what you see
Ha and it's what you'll get
Brought me where I am today
You ain't see nothing yet

All you need is insane love
The exhibition kind
And if you think you've done it all
I'm here to change your mind

Change it into fire
Change it into ice
Change it for a liar
Change it for advice

I'm here you know
I'm gonna

CHANGE YOUR MIND
I'M HERE TO DO IT RIGHT
I WANNA BE UNKIND
SHOOT OUT YOUR LIGHTS
and you can kiss my ass

I'm here you know
You know I'm gonna

CHANGE YOUR MIND
I'M HERE TO DO IT RIGHT
I WANNA BE UNKIND
SHOOT OUT YOUR LIGHTS
and you can kiss my ass
