

Skew Siskin, Spend The Night With Me

What a radical change she's acting derranged
It's nothing we ain't seen before
She's foolin' around with all that stands to pee
Your girlfriend's just another whore

Other guys you despise
Take your place in her face
She's a rat
Let's drink to that
You never know
Who's sleeping in your bed
What's it going to be
She's off her tree

SPEND THE NIGHT WITH ME I AIN'T NO TEASE
SPEND THE NIGHT WITH ME WON'T YOU PLEASE

Don't need no romance to get in my pants
Heaven resides between my thighs
Cause I'm your virgin, I'm your whore
I'm the one you're waiting for

My way, your way
Screw it in, screw it out
Use your head, take your place
Kiss my lips
The one I don't eat with
What's it going to be
Let's get down to sleaze

SPEND THE NIGHT WITH ME I'M BUILT TO PLEASE
SPEND THE NIGHT WITH ME GET DOWN BETWEEN MY KNEES
SPEND THE NIGHT WITH ME

SPEND THE NIGHT WITH ME I AIN'T NO TEASE
SPEND THE NIGHT WITH ME I'M BUILT TO PLEASE
SPEND THE NIGHT WITH ME GET DOWN BETWEEN MY KNEES
SPEND THE NIGHT WITH ME AHH AHH
SPEND THE NIGHT WITH ME BUILT TO PLEASE
SPEND THE NIGHT WITH ME
AND GET DOWN BETWEEN
YOU KNOW WHERE YOU GOTTA GO
