

Skew Siskin, When The Sun Goes Down

Brother, I'm in the mood to talk
I've never said it was easy to find the right words
Sister, I wanna take your hand
Watching the sky (pronounced: this guy)
Running wild, feel like in Alice's Wonderland

I'M DYING IN THE COLD NIGHT
WHEN THE SUN GOES DOWN
I'M CLOSING MY EYES TONIGHT
TO TOUCH THE INNER LIGHT

Brother, I walked through love affairs
I've gone through bad times and I'm a slave
A victim of your hunger
Sister, can you feel the wind blows through your hair
I can see when he's there
How you're getting weak
You don't need to speak

I'M DYING IN THE COLD NIGHT
WHEN THE SUN GOES DOWN
I'M CLOSING MY EYES TONIGHT
TO TOUCH THE INNER LIGHT

The moon stands high in the night
That's the time the wolf is ready to fight
Like I do with the weapons of a woman

I'M DYING IN THE COLD NIGHT
WHEN THE SUN GOES DOWN
I'M CLOSING MY EYES TONIGHT
TO TOUCH THE INNER LIGHT

I'm closing my eyes
The inner light
I'm dying in the cold night
When the sun goes down
When the sun goes down
