

# Skid Row, My Enemy

[Affuso, Bolan, Hill]

Play the fence, one way you're gonna fall  
Sometimes I don't know who you are at all  
Your opinion is something that you've got inside  
But I see the loyalty has up and died

Your skeletons  
My skeletons  
Life is only getting shorter

You can be my enemy and I don't care  
Keep throwin' stones at yourself

Stories run in circles that have no end  
I hit on luck, then you bum me out again  
There's a way that you keep the truth in check  
Scratch the surface and treat it like a broken neck  
Keep the peace when face to face with the scene  
Got a hunch that ain't what you really mean  
Weather's fair, does that change where you stand?  
My back is turned and the knife is in your hand

Your genocide  
My genocide  
Life is only getting shorter

You can be my enemy and I don't care  
Keep throwin' stones at yourself  
You can be my enemy and I don't care  
You try too hard and I can tell
