

Skid Row, Riot Act (Edited Version)

I never wanted to be President
Cause its nothin but an
ego trip, yeah
I didnt want your education
Cause its notin but a pile of shit

You bore me to death, so shut up
for Gods sake

Stop readin me the riot act
While my brains are still intact
You say its raining, but youre pissin
down my back
So stop readin me the riot act

I couldnt listen to a word you said
This goin nowhere thing
is wearin thin
When your sex, your drugs, and
your valid vic
Is just the spit I wipe off my chin

Id rather go nowhere than not know
where its at

Stop readin me the riot act
While my brains are still intact

You say its raining, but youre pissin
down my back
So stop readin me the riot act
