Skid Row, Slave To The Grind (Edited Version)

You got me forced to crack my lids in two Im still stuck inside this rubber room I gotta punch the clock that leads the blind Im just another gear in the assembly line - oh no

The noose gets tighter around my throat
But I aint at the end of my rope cause I wont be the one left behind
Cant be king of the world
If youre slave to the grind
Tear down the rat racial slime
Cant be king of the world
If youre slave to the grind

Get it?

A routine injection, a lethal dose But my day in the sun aint even close Theres no need to waste your prayers on me You better mark my words cause Im history Yes indeed

You might beg for mercy to get by But Id rather tear this thorn from my side

I wont be the one left behind You cant be king of the world If youre slave to the grind Tear down the rat racial slime Cant be king of the world If youre slave to the grind

They swallowed thier daggers by turning their trick
They tore my intentions apart brick by brick
Im sick of the jive
You talk verbal insecticide
