

Skid Row, The Gang's All Here

Yeah!
Go!

I'm burning down the city and I'm getting with the gang
Burning down the city 'cause I'm getting with the gang
A street fight, car crash starting with a, a bang
A street fight, car crash starting with a bang
Working up the money 'cause someone's getting busted
And tricky little Vicky was the only girl he trusted
Looks like we're walking 'cause the car got jacked
Don't worry 'bout it 'cause we got your back, he said
"Alright, alright

The gang's all here, the gang's all here
Alright, alright
The gang's all here, the gang's all here tonight"
Yeah!

Got a bloodshot sun is rising, jumping in the fire
Bloodshot sunrise, jumping in the fire
I'm falling out, shutting down, preaching to the choir
Falling out, shutting down, preaching to the choir
Dan is drinking nitro, hanging from the ceiling
Everybody's dizzy and they're losing all the feeling
That's right

They started yelling from behind the door
The punches started when they hit the floor
Alright, alright

The gang's all here, the gang's all here
Alright, alright

The gang's all here, the gang's all here
Alright, alright

The gang's all here, the gang's all here
Alright, alright

The gang's all here, the gang's all here
Nobody's waiting for the ones to come home
Alright, alright

The gang's all here, the gang's all here
Alright, alright

The gang's all here, the gang's all here
Alright (let's go) alright

The gang's all here, the gang's all here
Alright, alright

The gang's all here
All the gangs are here tonight
tonight

(Whoa, oh, oh) oh, we were here tonight

(Whoa, oh, oh) at tonight

(Whoa, oh, oh) the gangs are here tonight
