

Skillet, All That Matters

I don't wanna start a fight
I always try to do what's right
So put your weapons down
We can work it out
Don't get me wrong
I ain't no pacifist
For peace gotta pay a price
And I'll defend what is mine
Fight for what I love
Help me God above
All it takes is one
To rise up and resist

Cost you everything
When you're at war
These three things I'd die for

My faith, my family, my freedom
That's what's backin' me
Gives me a reason for living
I gotta fight for what I believe in, believe it
Love loyalty, I pledge fidelity
In this land of liberty, it's everything
My faith, my family, my freedom's
All that matters to me

A kid arrested in the town
He read the verses too loud
But burn the cities down
Celebs will bail you out
Where'd we go wrong
I can't make sense of this
So just leave our kids alone
Better not break into this home
'Cause where I come from
We always stand as one
Where we belong
We won't stand for this

Cost you everything
When you're at war
These three things I'd die for

My faith, my family, my freedom
That's what's backin' me
Gives me a reason for living
I gotta fight for what I believe in, believe it
Love loyalty, I pledge fidelity
In this land of liberty, it's everything
My faith, my family, my freedom's
All that matters to me, oh
To me, oh

When darkness divides us
I believe that love can conquer all
Courageous, united
We stand or fall
My faith, my family, my freedom

My faith, my family, my freedom
That's what's backin' me
Gives me a reason for living
I gotta fight for what I believe in, believe it
Love loyalty, I pledge fidelity

In this land of liberty, it's everything
My faith, my family, my freedom's
All that matters to me (it's all that matters to me), oh
To me (it's all that matters to me), oh
It's all that matters to me
