

Skin, Dog Eat Dog

(Adam Ant, Marco Pirroni)

(Originally performed by Adam and The Ants; from their album
"Kings Of The Wild Frontier" (1980))

You may not like the things we do, only idiots ignore the truth

It's easy to lay down and hide, where's the warrior without his pride?

Chorus:

We're gonna move real good - yeah right

We gotta trust somebody - ok

It's dog eat dog eat dog eat dog eat dog eat dog eat dog eat dog

Leapfrog the dog, watch me daddy-o

It's easy to lay down and hide, where's the warrior without his pride?

You may not like the things we say, what's the difference anyway?

(chorus)

(Solo)

It makes me proud, so proud of you, I see innocence shining through

(repeats out)
