

# Skin, Unbelievable

(I. Dench, J. Atkin, Z. Foley, M. Decloedt, D. Brownson)  
(Originally performed by EMF; from their album "Schubert Dip")  
Whoa!

You burden me with your questions, you'd have me tell no lies  
You're always askin' what it's all about, but don't listen to my replies  
You say that I don't talk enough, but when I do I'm a fool  
These times I've spent, I've realized, I'm gonna shoot through and leave you  
Chorus:

The things you say, your purple prose just gives you away  
The things you say, huh, you're unbelievable - ho!  
What the f\*\*k was that?

You burden me with your problems, by telling me more than mine  
I'm always so concerned, with the way you say you've always gotta stop  
To think of us as being one is more than I'll ever know  
But this time I've realized, I'm gonna shoot through and leave you  
(chorus)

You're unbelievable, yeah - what the f\*\*k was that?  
Listen up

You laugh at me then criticize the way I choose to lead my life  
I won't conform to your point of view, I'd rather die than live like you  
You try to hide your jealousy by using words like "authority";  
But can't you see, I don't give a f\*\*k!

You burden me with your questions, you'd have me tell no lies  
You're always askin' what it's all about, but don't listen to my replies  
You say to me I don't talk enough, but when I do I'm a fool  
These times I've spent, I've realized, I'm gonna shoot through and leave you  
The things you say, your purple prose just gives you away  
The things you say, I won't love you more  
(chorus)

You're unbelievable - ho! What the f\*\*k was that?

You're so unbelievable - ho! What the f\*\*k was that?

What the f\*\*k was that? What the f\*\*k was that?

They say you're unbelievable, yeah, you're unbelievable

You're unbelievable, you're unbelievable, yeah, you're unbelievable
