

# Skindred, Beginning Of Sorrow

Roots

Take Head that no man should decieve you  
For many shall come and try to lead you  
You'll hear of wars and rumours will set  
Yet be not troubled it's not the time yet  
It is written now it is written now  
It's the beginning of sorrows  
The beginning of the beginning of  
The beginning of sorrows

For nations rising against nations  
Kingdoms fighting against kingdoms  
There shall be famine world-shaking pestilence  
Yet be not troubled it's not the end yet

It is written now it is written now  
It's the beginning of sorrows

Fear not my brethren and my sistren  
Jah light soon come fear not my brethren  
I have great new, Jah manifestation

The beginning of sorrows  
The beginning of sorrows  
The beginning of sorrows  
The beginning of sorrows
