

Skindred, Roots Rock Riot

Roots rock, riot! Roots rock

So much blood spilt pon de dance floor
Just like Oliver Twist you know you're begging for more
Raw to the maximum broke down the law
Sweat and claret increase ya for sure

Ah we no want no badness bout ya
And everyone push up your lighter
Let me see you bouncing in the area
Call the police we come to murder

And so the music flows everybody knows

Musical murder in the room tonight
You know we're bouncing everyone hold tight
We keep you moving from the wrong to right
Roots rock riot
Musical murder in the room tonight
You know we're bouncing everyone hold tight
Just keep you moving from the wrong to right
Roots rock riot, roots rock riot roots rock

Co me say so many people dem ah rock in the place
Can't find no room you know you can't find space
The energy's ecstatic as you're smashing up the place
You'll fall down if you can't take the pace

And so the music flows everybody knows

This is a murder murder musical ma ma ma murder murder
Pushing it fa fa fa further further pushing it! Now hear this
Roots rock riot!

The equalizer and the compression
Turn up the bass it's time for confession
No bodder with the fuckery pay your concession
If you get ejected there's no readmission
Feel the injection slaughtered compression musician

We took it right down real low then just lets let it go
Roots rock riot!

This is murder murder musical ma ma ma murder murder
Pushing it fa fa fa further further pushing it! Now hear this

Musical murder in the room tonight
