

Skinflicks, I hate hippies

I hate hippies,i hate their fucking laught
You'd better get a wash and your hair cut.
Your Attitude is a bloody shame
now all hippies are fair game
I hate hippies,I do
I hate hippies like you
I hate hippies,I do
I hate hippies like you
Here They come,down the street
with grimmy sandals on their feet.
John Lennon dead now what you gonna do,
cause the naxt in line will be you!
I hate hippies,I do
I hate hippies like you
I hate hippies,I do
I hate hippies like you
All you hippies watch your back
I hate your guts and that a fact.
Summer of heights makes me prowl
Till the end we,re gonna put you down!
I hate hippies,I do
I hate hippies like you
I hate hippies,I do
I hate hippies like you
I hate hippies,I do
I hate hippies like you
I hate hippies,I do
I hate hippies like you
