

Skinlab, Raza Odiada (Pito Wilson)

We're black brothers from the United States
He who out to get them most, isn't Satan
We're the hated race in a world of white
Elected by mexican hands
Now, Pito Wilson is full of hate
And looking to fuck up race
Pito Wilson - Hates the raza

Now, Mexican brothers, don't be this stupid
A Calculate has begun
The Pete in the north is growing
Be president, rest or mature
First to impact, the death of the year
Now, pure white or pure dead
