Skinlab, When Pain Comes To Surface (demo)

What does it take to be a man? The complex of a little man When your pain comes to surface And your life ain't so perfect Want you... want you to be yourself But you don't even know yourself Don't even like yourself Pain comes to surface when you... Pain comes to surface when you... Complex of a little man Complex of a little man When pain comes to surface When pain comes to surface And your life ain't so perfect But your pain comes to surface Want you... want you to be yourself But you don't even know yourself Don't even like yourself Pain comes to surface when you... Pain comes to surface when you... Complex of a little man So blind you don't understand When pain comes to surface When pain comes to surface Your pain comes to surface And your life ain't so perfect any more, yeah! Come on... bitch Come on... watch the motherfucker burn Come on... bitch Come on... watch the motherfucker burn Come on... what does it take to be a man? Come on... watch the motherfucker burn
