

Skinny Puppy, Hardset Head

event width two path given pure force downs turns the screw crawl in back in term space
a time to intrude in term peace assuring a future silence noise forming sound like
silent noise silent voice screaming hints retaliation heinous plans in sides remain
taking downs taking aim filling curses two conditions back upon itself pass it off as
good intentions leaving marks hard to heal reassisted retrogression leaving tracks path
reveals sample act reflected clears noticed thought while leaving hears nuisance labels
paranoia so stupid how perceived that way silent claws shredding flaws hungers knowing
silent flaws forever laughter silence knows shaman stands retreating all is over
evermore smoke the curse your creation back upon yourself pushes distress closer to the
edge one time cracks lights the walls worry wasted hearing clouds up above the chatter
digging deep insider storms to find the inner patience erasing shadowed gifted ruin
haste retracing promised news leaving statement meant as nothing starving your words no
excuses silent truth asserts its proof like you abhor
