

# Skinny Puppy, Harsh Stone White (live)

harsh stone white eyes behold bruise baths soak crying bones every days appeal to stop  
spirit calm on valium hate permeates and fills the air icy clouds the atmosphere  
illusions pull hair no reaction how was this done it exists by extraction of reason  
drooling drips the bile of sanity through the thought lines vomiting were even the clock  
wailed and sped past two tic tic toc in time in the real understanding myself thinking  
stand back unafraid and unaffected stand back non molested were even down down down  
again down here in the cracks face hidden cracks harsh stone white even were even
