

# Skinny Puppy, Hospital Waste

blast and raw eye blood shot lid color concealed crimson trap thin lit mess code of  
darkness stop the ocean counting blood coughing blood and needle syringe in the islang  
thirst of drought raise through the real end ozone layer ultraviolet embalms sunless  
fire mistrust abandoning day long sinking monotones out to please to pattern the grey  
rain falls it drizzle colors negate so wild let it slide down time colors look crimson  
trains inside lost my footing ooze bite ant landslide no finding what through a lost  
door somewhere out there in open space where is there space to get off and go on there  
on tv the polluted lies the polluted noise mistrust no longer they don't give advice  
mono matters all to pleasing nobody the grey rain drizzles down my face negate mistrust  
dementia
