

Skinny Puppy, Hospital Waste

blast and raw eye blood shot lid color concealed crimson trap thin lit mess code of
darkness stop the ocean counting blood coughing blood and needle syringe in the islang
thirst of drought raise through the real end ozone layer ultraviolet embalms sunless
fire mistrust abandoning day long sinking monotones out to please to pattern the grey
rain falls it drizzle colors negate so wild let it slide down time colors look crimson
trains inside lost my footing ooze bite ant landslide no finding what through a lost
door somewhere out there in open space where is there space to get off and go on there
on tv the polluted lies the polluted noise mistrust no longer they don't give advice
mono matters all to pleasing nobody the grey rain drizzles down my face negate mistrust
dementia
