

# Skinny Puppy, Three Blind Mice

??? can you hear it has begun  
Seen the devil the outlived symptom  
Under the skin intent within  
Shadow (wings?) do and joins the requiem  
Treats my fallen character with no respect  
People's dire way to taking it all in  
Dimunitive track to live no hope of anything  
Obscene is obscure  
Do it again  
Stoic methods all the same  
Do it again  
Forsake these pretty days  
Do it again  
??? crumbling it has begun  
??? power of a lifetime decaying from within  
Leaving is deadening ones own belief in  
Ownership or credit or stipulate the win  
Visible oversee a constant pain  
in the bitter harvest eating the grain  
so sure your ears have gone everything ??? are stripped away  
do it again  
??? all the same  
do it again  
forsake these pretty days  
do it again  
Bromide bucket foul it has been done  
My devil no one forever gone  
Answer within a blind (knot?) ribbon  
Do it again  
???  
Do it again  
???  
Do it again  
???  
Again  
Again  
(Whispered throughout the song): Three blind mice (perhaps other indecipherable things?)
