

# Skitsystem, Slaves To Misery

Planet dies for welfare  
Drowning in shit  
The earth is raped  
Bit by bloody bit

Slaves to misery  
Slaves to pain  
See thru the bullshit  
And break the chains

Countries exploited  
One by one  
Another dollar saved  
The rape goes on

Slaves to misery...

Superpowers  
Starving nation  
Corporate business  
Annihilation
