

# Skrew, Charlemagne

I bleed black mud  
I bleed a cavity in your body  
A cavity for thoughtless fuck

Pour forth, black mud  
Pour forth, black mud life

I bleed a hole  
Without pain  
Life of pain  
Over years of struggle  
Skin coat over skin touched  
Broken soul vanity  
Crippled body touched

Pour forth, black mud  
Pour forth, black mud life

Life of pain  
Over years of struggle  
Skin coat over skin touched  
Broken soul vanity  
Crippled body touched

Pour forth, black mud  
Pour forth, black mud life
