

Skrewdriver, Better Off Crazy

I don't wanna be no office boy
I wanna hold my head up high
And if I want to fight somebody
I don't wanna be asked why

(chorus)

My friends tell me, I'm better off crazy
My friends tell me, they tell me that I'm better off crazy

I ain't like more money to get me by
I just wanna have some fun
I don't want no grey-haired judges
Asking me what I've done.

(chorus)

I don't have to give no reasons
I don't have to give, no one my name
I'm gonna steal me a fast car, hit a Highway 49
Pick me up some fair-haired woman, have us a real-good time

I don't care how much it costs
Ain't coming back this way
Gonna give no shit about tomorrow, baby
All I care about is today

(chorus)

I don't have to give no reasons
I don't have to care, no one but me
Because I'm crazy
Yeah, yeah, I'm crazy!
