

# Skrewdriver, Government Action

What a drag, what a waste of time  
Want more money or a life of crime?  
Do as much work as an older man  
He gets much more money than I ever can

Chorus:  
Gimmie some, government action  
Gimmie some, gimmie satisfaction

Things are changing for the British kids  
Gotta be old to get money, yeah  
Can't afford a drink so I gotta stay bored  
Can't afford a bed, gotta sleep on the floor

(Repeat Chorus)
