

Skrewdriver, Jailbait

Long blond hair, looks so good
Temptation, think I should

Chorus:
Jailbait, jailbait
My jailbait

No-one knows you're sneaking out
Your old man would scream and shout

(Repeat Chorus)

Just because you're just fifteen
They can't guess the things you've seen

(Repeat Chorus)

They don't want you getting pissed
Enjoying things that they have missed

(Repeat Chorus)
