

# Skrewdriver, Retaliate

The petrol bombs are flying, the people lock their doors  
We've got to make a choice now, in the middle of a war  
The enemy is taking over out on the streets  
And we are not united, and so we face defeat

-

(chorus)

Retaliate, will be our only hope  
Retaliate, can we ever cope  
Retaliate, face them on the streets  
Retaliate, fight against defeat

-

As a young man lies dying, the mob begins to cheer  
Older people tremble, they have never known such fear  
The enemy's taking over out on the streets  
And we are not unite, and so we face defeat

-

Mr. Politician, I won't say I told you so  
But now the flames are rising, do you want to know?  
You're blaming unemployment and the racists on the beat  
I don't see our unemployed looting on the street
