

# Skrewdriver, Smash The I.R.A.

On the streets of Ulster, the battle rages on  
British people fighting for their land  
Fought in two world wars for us, fought and died for Britain  
Gotta help them, support the Red Hand

Smash! Smash! The IRA!  
Smash! Smash! The IRA!  
Smash! Smash! The IRA!  
Remember the victims of their bombs

Gotta change our policies and hang the IRA  
Let the Army deal with them their way  
Corrupt politicians and sniveling left-wing scum  
Are quite content to let them get away  
Come on Ulster!

Smash! Smash! The IRA!  
Smash! Smash! The IRA!  
Smash! Smash! The IRA!  
Remember the victims of their bombs

Smash! Smash! The IRA!  
Smash! Smash! The IRA!  
Smash! Smash! The IRA!  
Remember the victims of their bombs

IRA supporters are marching on our streets  
Are we gonna let them spread their lies?  
Are we gonna let them march or are we gonna smash them?  
Laughing while the British people die  
Come on Ulster!

Smash! Smash! The IRA!  
Smash! Smash! The IRA!  
Smash! Smash! The IRA!  
Remember the victims of their bombs
