

# Skrewdriver, White Warriors

Fighting in the city it's a matter of life and death  
It's as easy as black and white, and you'll fight 'till your last breath  
They'll try and tell you that nothing's yours, but you're White men and they are wrong  
You are the warriors fighting for the people and you fight 'cos you are strong

(chorus)

And they'll never, never beat the warriors  
White warriors, White warriors  
And they'll never, never beat the warriors  
White warriors, White warriors

If they would bother to take a look around they'd see the writing was on the wall  
A lot of young people are waking up and answering the White man's call  
If they try to put us down and they don't destroy us we'll get strong  
Their constant lies and harassment only helps to make us carry on

When the battle is over and the victory is won  
And the White man's lands are owned by true White people,  
the traitors will all be gone
