

# Skulker, Rock Nugget

You call me defeatist  
But i just can't defeat this  
Anymore  
Coz you broke me heart in two  
And now there's nothing more that  
I can do

Where? Where did you go?

Didn't you see me  
Didn't you feel me  
Couldn't you take me with you  
When you went away

Ask me in a month  
If i still feel the same way  
Coz i got no more tears to cry  
And now i find i was blind
