

# Skunk Anansie, I'll Let You Down

Come along  
And ride with me  
So you can see  
I'm just not good enough

Make a plan  
This is the end  
My life, my friends  
Are just not good enough

I am lost ooh  
I am lost  
Inside my dieing light

'Cause I miss magic moments that  
Should floater in the air  
Yeah I feel there's a reason  
Why I never take you there

I'll let you down  
I'll let you down  
I'll let you down  
I'll let you down  
Again

There are days  
You shine to bright  
You hurt my eyes  
I just can't get enough

Special ways  
Those awkward signs  
With eyes that find  
Is just not good enough

I'm not, ooh I am lost  
Inside my dieing light

And I feel magic moments  
That should sparkle in the air  
Yeah I feel there is a reason  
Why I can't take you there

I'll let you down  
I'll let you down  
I'll let you down  
I'll let you down  
Again

Let you down  
Let you down

Come along  
Cry with me  
So you can see  
I'm just not good enough
